

# "Y" Shows Form In Swamping Canadian Club By 31-14

## CHICAGO BASKET TEAM NO MATCH FOR LOCAL FIVE

Cooper's Team Swamps Visitors Under Shower of Points —Alward Star.

Although at times they showed flashes of brilliancy, the much touted Chicago Canadian Club basketball quintet was no match for Cooper's Y. M. C. A. five in their game New Year's afternoon on the local floor and they fell to the tune of 31 to 14. The score does not nearly indicate the supremacy of the local five whose work both on offense and defense, was one of the best exhibitions of the national indoor pastime seen in this city for many years. That the South Bend aggregation was the best they have opposed in several seasons, was the unanimous opinion of the Chicago outfit at the conclusion of the game.

Kendler started the scoring for the locals shortly after the beginning of the game when he registered from the foul line after Russell, Chicago's back guard, had been caught holding. Then, the lanky center, aided by Radebaugh and Rhodes started a bombardment of the net and at the close of the half had piled up 17 points. The Windy city outfit did all their scoring in this period on two free throws after two personal fouls had been called on Kendler.

Diamond replaced Radebaugh in the local lineup at the beginning of the second spasm and for a time the floor work of the locals was disturbed. The substitute at times displayed some brilliant work, but in a short time he was again relieved by Radebaugh. During the last five minutes of the game the local scoring machine again began adding points and when the final whistle had cleared away had annexed 14 points bringing their total to 31.

Coleman Stars. With the addition of McFerran and Coleman in their lineup the Chicago five strengthened and added 13 points to their total. Four sensational shots, equally divided between these two men, were responsible for many markers. Coleman's shot from over his head, the distance of the floor was easily the sensation of the basket shooting during the game. The other three goals were made on long shots.

The inability of the Chicago crew to keep possession of the ball under their own basket and the effectiveness of Alward's sturdy defensive work, was responsible for their defeat. This lad, who was one of the sensations of Cooper's wonder five of last season, played one of the best games of his career.

Denver Five Coming. Monday night the Denver Athletic club, whose record in the last four years shows only three defeats, will oppose the local team in the Y. M. C. A. This game will probably be the most hotly contested of any exhibition to be shown in this city this season. The game will start promptly at 8 o'clock.

The summary of yesterday's game follows:

C. C. C.	Position	South Bend
(14)	Position	(31)
Eddy	Right Forward	Radebaugh
Robertson	Left Forward	Kendler

Substitutions—Diamond for Radebaugh, Radebaugh for Diamond, Murphy for Eddy, McFerran for Robertson, Coleman for Ligare, Personal fouls—Ligare, 1; Kendler, 2; Alward, 2. Referee—Hallas, Illinois.

## California Wins East-West Game From Ohio 28-0

Pacific Coast Football Team Outplays Conference Eleven Throughout.

(CONTINUED FROM PAGE ONE) able more yardage both on straight and open football.

Gains at punting were about even, while Ohio drove but one penalized loss. The game was marked with roughness. Fumbles were about even.

Seven minutes of play saw the first California touchdown. An Ohio fumble, recovered by California and followed up with a versatile attack, resulted in Spott going over the line.

In the second period, Muller tossed a 50-yard pass, probably the longest ever thrown in the west. He threw to Stephens, who went over for the second score. The third goal came in the same quarter when an assortment of plays put Spott over with an end run.

No score was made in the third period, but in the fourth Spott circled the Ohio left end to the five-yard line, where Deeds in two bucks went over.

Lineup and summary:

California (28)	Position	Ohio (0)
Stephens	Left End	Myers

### Watch Toledo, That's All

The other day we heard that Toledo had put in a bid for the Dempsey-Carpentier bout. There's more than a thought in that. Toledo is ideally situated for a big bout. There are a great many big cities within a stone's throw of the Secor Hotel, and with any kind of weather at all records for big shows would be busted to smithereens there.

Jack Rickard had hard luck with the Dempsey-Willard thing there and should have drawn twice the gate he did. The government just before that bout killed off a number of special trains, which stopped many a gay party.

Al Feltus and his match in America. The champion is an American and shouldn't be forced to go abroad in order to defend his title.

## EXPERT WRITER REVIEWS WORK OF VARIOUS ATHLETES

Victory of Tilden and Johnson Brings Davis Cup Back to America.

BY HENRY L. FARRELL, United Press Staff Correspondent.  
NEW YORK, Dec. 31.—Tall Bill Tilden and Tiny Bill Johnston have brought to a glorious end the greatest year of American accomplishment in sport in history.

As a year filled with brilliant performances on home and foreign fields was ending, its last, America's now famous pair of tennis players—Tilden and Johnston—sent back home today the Davis cup, next to the last of sports trophies that is not resting on American shelves.

Sweep Supreme. From the first of the year to the singing of the 1920 song to the world's scolding championship home supreme down through the field of sport.

World's supremacy on the water was achieved by a fishing schooner and by a motor boat.

World's supremacy on land was won by a team of riflemen, by a track and field team, by swimmers, by a basketball team, by tennis players.

Perhaps the most "blue-blooded" victory was Resolute's successful defense of the historic American's cup over the British yacht, Shamrock IV.

Next in class was America's sweeping victory on track and field at the classic Olympic games.

Tennis joined the list of conquests when William T. Tilden won the British national championship and after the help of William M. Johnston brought the Davis cup back to American after an absence of eight years. Jack Kelly, Philadelphia, brought the world's scolding championship home from the Olympic games, the navy won the eight-oar championship and set a new world's record and the American riflemen brought home the championship from Belgium.

The fishing schooner Espranto joined the list with a championship. The American swimmer vanquished the best in the world and the Princeton track team beat Oxford and Cambridge.

America must bow, however, to Canada in hockey, to Britain in cross-country running and golf—the very few international contests in which American colors did not wave from the top of the pole.

In pugilism and wrestling America's almost supreme.

International sports reached their greatest crest in 1920 and the best of the resulting can not be summarized.

## BIG TEN TOSSERS TO START MONDAY

Wisconsin Picked as Dark Horse of Conference Basketball Season.

CHICAGO, Jan. 1.—With the opening of the Western Conference championship basketball season Monday, the quietest representing the University of Wisconsin looms up tonight as the real "dark horse" of the 1921 race.

The Badgers are pinning their championship hopes on W. E. Meanwell, basketball coach, whose ability to develop fighting teams out of ordinary material is recognized throughout the "Big Ten." In six years from 1911 to 1916, Coach Meanwell turned out four championship teams for Wisconsin. There has been a scarcity of seasoned material in the Badger camp, however, Capt. Taylor at forward being the only outstanding player.

The brilliant Purdue five, which finished close to Chicago in the race last season, will enter the field without its greatest asset—a high powered scoring combination. Tillson, Church and Campbell have graduated, leaving Capt. White, a brilliant running guard, and Miller, a back guard, as the nucleus for this season's team.

Expect Next Champion. In the last year, no team in the "Big Ten" has won the title two years in succession, and if the race develops into a tight struggle this season, recent tradition is repeated, the championship won by Chicago last season will fall to another contender in the 1921 campaign.

Wisconsin will take the field against Northwestern at Evanston Monday night in the only game scheduled. The other teams will not swing into the race until Saturday when two games are to be decided, bringing together Indiana and Ohio and Wisconsin and Michigan.

Wallace Quits Before Tandler's Punishment

PHILADELPHIA, Pa., Jan. 1.—Low Tandler, Philadelphia light weight, so far outpointed Otto Wallace of Kansas city here the afternoon in a scheduled eight-round bout that the western fighter's seconds threw a towel into the ring in the fourth round.

Whitey Fitzgerald, Philadelphia, won from Stanley Meeghan, Atlanta, in a match in the ring in the fourth round.

Caddock Wants Another Chance at Mat Title

NEW YORK, Jan. 1.—Earl Caddock, former world's heavyweight wrestling champion, hopes to come back. The Iowa has challenged "Strangler" Lewis for the title, Jack Curley announced today, and will meet the "Strangler" on any terms that will be agreeable. Caddock recently defeated John Peck in a match in Des Moines and his victory convinced him that he has regained his old time form.

Pittsburg, Jan. 1.—"Mell" Cogan of New York won the newspaper decision over Charley O'Connell of Cleveland in a ten-round boxing bout at Motor Square garage here this afternoon. In a newspaper decision "Kid" Roberts of Wheeling, W. Va., was declared defeated by Mike Moran of Pittsburg in a six-round bout.

Alward Alumni Star. "Abner" Alward, although playing a back guard berth proved to be the big man of the alumni machine. Playing a steady game under the basket he had little chance to score, but after the alumni players having failed throughout the entire game to hit the rim accurately, the Indiana freshman opened up the last minutes of the game with two baskets and two foul goals leading the scoring of the graduate five, besides starring in the defense work of the team.

"Chet" Grant, Notre Dame star, proved to be the only other man that could compete in the star list for the graduate squad, being the big cog in the floor game, besides marking up live of the graduate points.

Of the twelve chances to score from the foul line the Alumni squad only registered three. On the other hand the prep lads made good every try. If the Alumni scored only a few of the attempted free tosses, the fracas would have been far closer and more interesting. Nearly every man on the graduate outfit got a try at a free throw. Besides these many misses, the many easy shots were missed.

Gradenen Uses Sals. The high school took the lead from the start, and after the first few minutes of play speedily drew away from the grads, twice throughout the game Coach Gradenen put the subs into the contest. These men also made a fine showing against their far heavier and more experienced opponents.

Alumni (13): Grant, Forward; Wahl, Forward; Nyikos, Center; Clybourne, Center; Scheer, Guard; Buntman, Guard; Maxey, Guard; Alward, Guard.

Field Goals: Nyikos 5; Edwards 4; Alward 2; Grant 2; Anderson 2.

Foul Goals: Nyikos 3 out of 3; Grant 1 out of 6; Alward 2 out of 3.

Substitutions: Bowsher for Scheer; J. Nyikos for Anderson; Ralston for Maxey; Radebaugh for Wahl; Wahl for Buntman; Wrightman for Clybourne.

Mitchell Wins Easily From Dennis O'Keefe

MILWAUKEE, Wis., Jan. 1.—Pinkey Mitchell, Milwaukee light-weight, in a 10-round no-decision boxing contest this afternoon, decisively defeated Dennis O'Keefe, Chicago, winning every round except the first, which appeared even, or a "feeling out" session. Mitchell weighed 138 pounds and O'Keefe 142.

NEW YORK, Jan. 1.—The trade announced last night by The Tribune and Washington outfielder, comes to the Yankees in exchange for Outfielder Duffy Lewis and Pitcher Morridge, was hailed with delight by New York fans today.

## CENTRE WINS FROM TEXAS TEAM, 63-7

Seven Texans on Famous Eleven Aid in Swamping Texas Christian U.

By Associated Press: FORT WORTH, Tex., Jan. 1.—Centre college of Danville, Ky., brought its seven native Texas football players home today and they, with the assistance of four from other states, snowed under the Texas Christian university of Fort Worth by a score of 63 to 7. The Christian university players gained their seven points when Jackson, early in the period, snatched a forward pass from Gaudy and dashed 20 yards for a touchdown. From then on, however, the game was a rout, with T. C. U. at times holding valiantly.

Weaver Reaches 99. McMillan played most of the burden of the straight football on the other men in his backfield, but in the final quarter he flashed through the first line, shook off four tackles in the secondary defense, and ran 15 yards for a touchdown. Red Weaver, infallible goal kicker of the Centre team, went into the game with 99 straight goals to his credit. He emerged with just one short of a coveted 100. All his efforts were squarely in the middle of the goal posts.

In the final period, Coach Moran sent in a constant stream of substitutes and used every one of the 22 men of the squad before the game was ended.

Lineup: Texas C. U. Myers, Left End; Spiller, Left Tackle; Roberts, Left Guard; Layer, Left Halfback; Creager, Right Guard; James, Right Tackle; Snoddy, Right End; McMillan, Quarterback; Bartlett, Right Halfback; Armstrong, Left Halfback; Tanner, Fullback.
